

## Haven Amsterdam

# IJmuiden

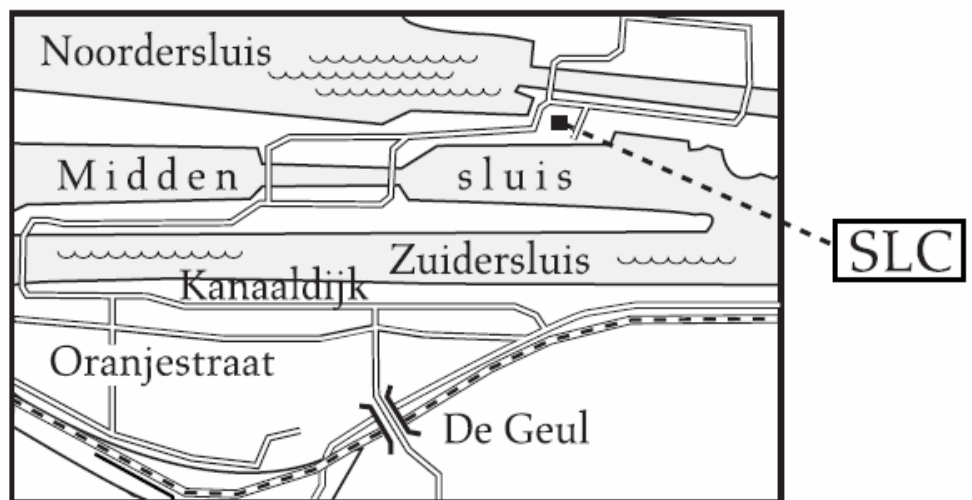

In IJmuiden are the Port of Amsterdam's Harbour Operation Centre (HOC) and the Traffic Centre IJmuiden (SLC). The HOC is located on the Seinpostweg 19, and the SLC on the Middensluisweg 2. Both the HOC and the SLC are within ten minutes walking distance of the nearest bus stop.

The HOC can be reached by bus 70, which leaves from the Railway Station in Haarlem. At the Rotonde stop in IJmuiden you change to bus 82. You then get off at the Badweg stop and walk to the HOC within ten minutes.

The SLC can be reached with bus 75, which also departs from the Railway Station in Haarlem. At Plein 1945 stop you change to bus 74. Subsequently you get off at the Oranjestraat stop and walk to the SLC within ten minutes. Another option is to take bus 82 that leaves from the Sloterdijk station in Amsterdam. At the Stationsweg stop in Velsen Zuid you change for bus 74. You get off at the Oranjestraat stop and walk to the SLC within ten minutes.

There also is a regular connection between Amsterdam and IJmuiden by hydrofoil from the Naco company. The boats sail between the Railway Station (at the back) in Amsterdam and the Pontplein in Velsen Zuid. In rush hours

# ✖ Haven Amsterdam

a hydrofoil leaves every half-hour and outside rush hours every hour. The last boat sails at 19.30. The crossing time is approximately 30 minutes. From the Pontplein the HOC and SLC can be reached by cab, there are no buses in either direction.
