Announcement No. 49/2020

IJmuiden, 11 November 2020

Subject: Activities in the Australiëhaven near Granietimport

The Director of the Central Nautical Management North Sea Canal Area, who is also the (State) Harbour Master, announces the following:

Due to the construction of a new mooring facility for sea-going ships on the south side of the Australiëhaven near the terminal of Granietimport, the following activities are taking place from 23 November to 18 December 2020:

- The installation of 2 mooring dolphins in the water and 3 bollards on land by work ships 'Biesbosch' and 'Zijpe'.
- Working hours are from 06.30-17.00 LT.

Consequences for shipping:

- Causing hindrance from wash or waves is prohibited; The above prohibition will be indicated on the work ships 'Biesbosch' and 'Zijpe' by means of the lights and shapes prescribed in the Inland Navigation Police Regulations (BPR);
- Ships bound for and leaving Granietimport must take account of these activities and will also be informed well in advance by Granietimport;
- During the activities, the mooring dolphins will be lit by Ship Lamps - also known as 1000-hours lamps - and indicated by red flags.
