Announcement No. 52/2022

IJmuiden, 9 August 2022

Subject: Change of dates of activities in the Mercuriushaven

The Director of the Central Nautical Management, who is also the State Harbour Master, announces the following:

In the period from 12 September to 24 October 2022, activities will be carried out in the Mercuriushaven for the purpose of the construction of transshipment facilities. The activities include the following:

- Removal of the northern mooring buoys (*boeien Noord*) in the Mercuriushaven;
- Installation of mooring and breasting dolphins;
- Installation of buoyancy units;
- Completion of the activities.

Working hours

During the period mentioned above, the activities will be carried out from Monday to Friday from 06.00 to 21.00 LT. The work ships involved in this construction project will keep a listening watch on VHF channel 04.

Consequences for shipping

- From 12 September to 24 October 2022, the Mercuriushaven berths at the northern mooring buoys (*boeien Noord*) will be taken out of service for all ships, except for work ships or ships used for the supply of construction materials for the project;
- A work area will be established indicated by yellow buoys marked with top mark A1;
- During the above-mentioned period, a prohibition on causing nuisance due to excessive wash or suction will be put in place.
