Announcement: 2022/60

Amsterdam, 21 September 2022

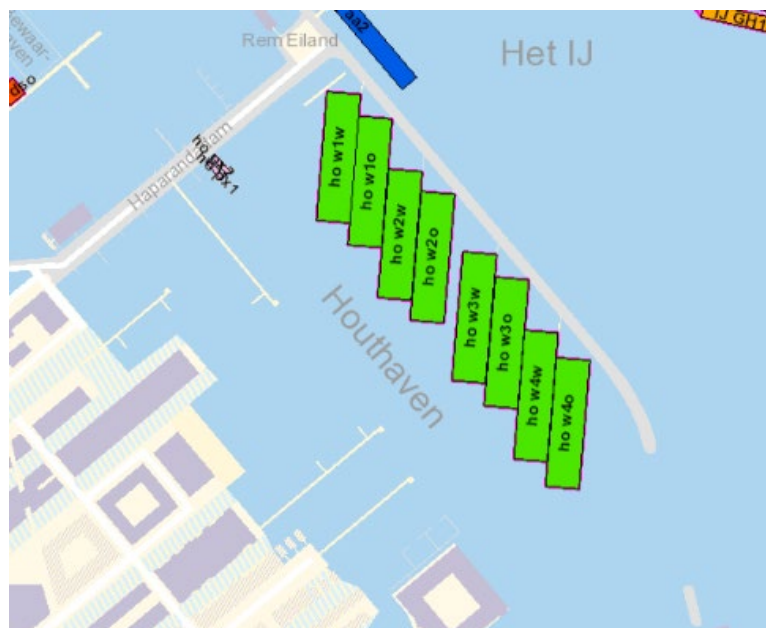

Subject: Houthaven construction

The Director of the Central Nautical Management North Sea Canal Area, who is also the (State) Harbour Master, announces the following:

As of 3 October 2022, construction will take place in the Houthaven for the purpose of constructing a landing protection between the future and the current houseboat jetties and the inland navigation waiting jetties at the pier.

The construction will be indicated by road signs in accordance with Annex 7 of the BPR and will last until 23 December or shorter as possible or longer as necessary.

During this work, the westernmost berth *ho w1w* will be intended for mooring material and cannot be used as a berth for inland navigation.

The Director of the Central Nautical Management North Sea Canal Area, who is also the (State) Harbour Master,
