Announcement 11/2023

IJmuiden, 24 February 2023

Subject: Installation of a pontoon with next to it a salinity measurement device at the eastern mooring facility Kanaaldijk at IJmuiden.

The Director of the Central Nautical Management North Sea Canal Area, who is also the (State) Harbour Master, announces the following:

A pontoon with next to it a salinity measurement device has been moored at the easternmost mooring facility along the Kanaaldijk.

The pontoon with the salinity measurement device has been moored to the westernmost two dolphins of the above mooring facility (Hamis code: ZT wp4).

It is prohibited to moor at or alongside this pontoon and measurement device, or to secure mooring lines on it.

This measurement device was installed on 14 February and will be moored there for at least 14 months.
