

Decree No: 2023/35

Decree to grant permission for holding an event to the participants of the Allianz World Championship sailing 2023

Considering: Article 12 Territorial Sea Shipping Regulations and Article 1.23 Inland Shipping Police Regulations;

Decision on Delegation of Nautical State Tasks in the North Sea Canal Area 2013, (Stb. 2013, no. 9184) of March 19, 2013, granting delegation of nautical state tasks in the North Sea Canal Area to the director Central Nautical Management North Sea Canal Area.

With regard to:

- The Allianz World Championship Sailing 2023 will take place in Scheveningen from August 10 to August 20;
- In this context, a request was received on May 16 from Seaport Marina on behalf of the participants of the World Championship to be able to train on the open sea near IJmuiden because there is a harbor located in IJmuiden that can facilitate sufficient sailboats and support boats;
- This traffic decree is intended to ensure the safe training of the participating sailboats.

Whereas:

- To grant permission for training on open sea (south of the breakwaters) near IJmuiden and for sailing to and from the open sea to and from Seaport Marina.
- The permission is valid from June 28 till August 9, 2023.

The conditions for this permission are as follows:

- Movements from Seaport Marina to the open sea and vice versa must be done by towing the non-motorized vessels using the motorized support boat.
- Departure and arrival of the sailboats must be reported on channel 61 (IJmuiden Port).
- Towing is only allowed on the south side of the fairway between the breakwaters, and crossing the fairway is prohibited. The anchor areas are restricted navigation areas. When departing from Seaport Marina, sailing is only permitted in a westward direction (toward the open sea).
- Sailing between the breakwaters is not allowed.

- The accompanying support boats must have a functioning VHF installation and monitor VHF channel 61 (IJmuiden Port).
- The support boats must be present throughout the entire duration of each training session.
- Training is not permitted when visibility is less than 500 meters. Training is only allowed between sunrise and sunset.
- The decision may be revoked by the competent authority if necessary. The conditions may be supplemented and adjusted.

The director of the Central Nautical Management North Sea Canal Area (Inland Shipping Police Regulations) on behalf of the Director-General of Rijkswaterstaat and the director of the Central Nautical Management North Sea Canal Area (Shipping regulations territorial waters)
